- Having trouble accessing online learning?
- Are you studying GCSE Physics or Combined Science in England?
- [Isaac Physics](#) will send you a FREE* workbook direct to your home address, AND pay the postage!
- You get a 182 page workbook containing:
 - notes, worked examples and practice
 - core topics in GCSE syllabuses (AQA, EdExcel, OCR A & B, Eduqas, WJEC, CIE IGCSE).
- Teachers can order a FREE box of GCSE workbooks for school!

*Eligibility

1. All **students** are welcome to apply but we will prioritise students from the DfE identified opportunity areas listed below (postcodes in brackets). We have funding to provide 8000 copies.

2. **Teachers / parents / guardians / other relatives / community leaders / social workers** may apply on behalf of a student if they have permission from the student to provide us with the student's details and residential address so that we may send the book directly to the student.

3. **FREE box of books for schools - teachers** can also apply for a box of books to be sent to their school. Work from these books can be set online and is then **automatically marked and a visual progress report provided to the teacher**. For further information about our teacher support please see our [Teacher CPD page](#).
