

Consent Form

Revision Bootcamp Cambridge

23rd – 27th August 2021

1. Student details (please complete):

- Full Name (as on Isaac Physics profile):
- Home Postcode:
- School Name:
- School Postcode:

2. To be completed by Parent/Guardian:

As the parent or guardian of the above named student I confirm/agree to the following (*please tick ☐ or delete as appropriate **):

- ☐ **No** previous member of our family has attended university
- ☐ I confirm my child/ward **has** been eligible for one or more of: (a) free school meals (b) Pupil Premium (c) EMA (d) 16-19 bursary during secondary school (* delete as applicable).
- ☐ My child/ward may attend the Isaac Physics Interactive Bootcamp (Zoom Meeting)
- ☐ The student's name, DOB, home postcode and school may be kept on record by Isaac Physics for internal monitoring
- ☐ I am aware that online events are recorded for safeguarding purposes. The recording will be stored in accordance with data protection guidelines and deleted after 3 months.

Participants are expected to attend an interactive Zoom meeting, in which they will be split into smaller groups supported by tutors who have all been DBS checked. Smaller groups encourage student collaboration and better support their learning. All live sessions will be recorded for Safeguarding purposes and stored securely on Isaac Physics devices. Summary sections of the recordings will be uploaded to Moodle.

Data Protection Act:

When you sign this declaration, you agree to the processing of the named student's personal data and to the use of photographic and/or video images (as defined by the Data Protection Act 1988) by the University of Cambridge for publicity purposes in our printed or electronic based media. We confirm that the information we keep, the photographs we take, and any comments we use will be confidential between you and us, but we may occasionally provide such images and comments to bodies such as UCAS, the Department for Education, Higher Education Funding Councils, Educational charities, the press, and publications connected with promoting higher education to a wider range of potential students. I hereby give my permission as parent/guardian/carer of the above student for the Colleges to keep the personal data above and use photographs/videos/comments for the purposes outlined above.

Printed name (parent/guardian):

Signature (parent/guardian):

Date signed

3. To be completed by Student:

I understand that the bootcamp is designed, in my interest, to be an intensive programme of work that will be challenging. I also understand that experienced staff will be available at all times to answer questions and provide support (my group leader, other teachers and the project Director). I agree that I will make sure to access this support if I have any concerns or questions. I have read the information presented in this code of conduct (below) and agree to adhere to the rules and regulations listed. I also agree to adhere to any additional rules and regulations explained to me on the first day of the Bootcamp. I understand that I will not be allowed to continue on the event of serious misbehaviour on my part.

Printed name (student):

Consent Form

Revision Bootcamp Cambridge

23rd – 27th August 2021

Please Note:

Each student is responsible for returning their own Consent Form.

Please complete and return page 1 of this consent form, signed to:

Mr David Taylor (Project Administrator): david@isaacphysics.org

Do this either by:

- Returning a mobile phone photo (please compress the photo size if you can) of signed print out or,
- by filling out the form electronically and pasting a signature into the form.

Please use the subject “**Virtual Student Bootcamp**” on your email and send to: david@isaacphysics.org

Deadline to return form (by email): 6th August '21

Please read carefully and keep this section:

Participant Code of Conduct

During the events, on the online platform and Zoom tutorials, I will:

- Follow all instructions from the Isaac Physics coordinators regarding Moodle settings, including turning off the private messaging function and hiding my email address, and Zoom settings.
- Only use the group forums to communicate with other participants (including coordinators and other participants).
- Inform the Isaac Physics Coordinator via email immediately if I feel that any of the rules outlined in this Code of Conduct have been broken by any participant.

When making a contribution to the Moodle site or during the Zoom tutorials:

The Contribution must:

- be accurate (where it states facts)
- be genuinely held (where it states opinions)
- comply with applicable law in the UK and the law of the country from which it is posted be relevant.

The Contribution must not:

- contain any material that is likely to offend, provoke or attack other contributors to or users of the Forum
- contain any material that is defamatory of any person
- contain any material that is obscene, offensive, abusive or hateful
- promote violence or contain a statement or describe or encourage activities that could endanger the safety or well-being of others
- promote discrimination on the basis of age, sex, sexual orientation, disability, race, religion, or nationality
- infringe any copyright, trademark or other intellectual property right of any person or organisation
- disclose the name, address, telephone, mobile or fax number, email address or any other personal data in respect of any individual
- advocate, promote or assist any unlawful act or illegal activity
- be made in breach of any legal duty owed to a third party such as a contractual duty or a duty of confidence
- be threatening, harass, abuse or invade another's privacy or cause annoyance, inconvenience or needless anxiety to any person
- be used to impersonate any person or to misrepresent the contributor's identity or affiliation with any person or organisation
- contain any advertising or promote any services or web links to other sites
- contain any material that contains viruses or any other computer code, programs or files designed to destroy, interrupt or limit the functionality of any computer, computer software or hardware or telecommunications equipment.

I understand that if I break these rules, I will not only be removed from the site, I will also be removed from the Isaac Physics Virtual Bootcamp Programme.

I understand that I have 3 months from the end of the event to bring any concerns or incidents to the attention of the Isaac Physics team.
