Name and contact phone numbers if the first contact is unavailable

Name:

Daytime Number:

Evening Number:

To be completed by parent/guardian:

As the parent or guardian of the above named student I confirm/agree to the following (*please tick ☒ or delete as appropriate **):

- ☐ No previous member of our family has attended university
- ☐ My *son/daughter/ward may attend the Isaac Physics Residential Bootcamp
- ☐ Isaac Physics may keep a record of the student's name, date of birth, home postcode, and school to help in monitoring its activities
- ☐ Isaac Physics can take and use photographs and/or videos during the events to help us promote our activities

Either: (delete as applicable)

My *son/daughter/ward does not have a medical condition that could result in unnecessary risk to his/her health and safety, or to the safety of another person / My son/daughter/ward has the following medical condition(s) – completion of this will not affect the student's placement but merely ensure their safety.

Medical conditions:

Data Protection Act:

When you sign this declaration, you agree to the processing of the named student's personal data and to the use of photographic and/or video images (as defined by the Data Protection Act 1988) by the University of Cambridge for publicity purposes in our printed or electronic based media. We confirm that the information we keep, the photographs we take, and any comments we use will be confidential between you and us, but we may occasionally provide such images and comments to bodies such as UCAS, the Department for Education, Higher Education Funding Councils, Educational charities, the press, and publications connected with promoting higher education to a wider range of potential students. I hereby give my permission as parent/guardian/carer of the above student for the Colleges to keep the personal data above and use photographs/videos/comments for the purposes outlined above.

Signature (parent/guardian): _____ Printed Name: _____

Date signed: _____

To be completed by student:

I have read the information presented in this code of behaviour and agree to adhere to the rules and regulations listed.

I also agree to adhere to any additional rules and regulations explained to me on the first day of the Bootcamp.

I understand that I will not be allowed to continue on the residential in the event of serious misbehaviour on my part.

SIGNATURE OF STUDENT:

_____ DATE: _____

To be completed by teacher:

I confirm that this student has / has not been eligible for one or more of free school meals, Pupil Premium, EMA and / or 16-19 bursary during secondary school (delete as applicable)

We would like to support all English State Schools to use Isaac Physics and will happily provide training for teachers so that they are confident to use Isaac in their classes. Please tick one of the following:

- ☐ I would be happy to be contacted by Isaac Physics; email address _____
- ☐ I would not like to be contacted by Isaac Physics

Teacher countersignature: _____ Date: _____

Name of teacher: _____

School Role: _____

School Stamp (or attach official school letterhead):

Each student is responsible for returning their own Consent Form.

Please return the parent/guardian consent and the student declaration forms (pages 1 & 2) as soon as possible to:

Sharon Gibbons
Cavendish Laboratory
19 JJ Thomson Avenue
Cambridge
CB3 0HE

Good quality scans/photos may be emailed to: sharon@isaacphysics.org
Please use the subject "Cambridge Bootcamp"

Deadline for return: 7 July 2019

Please read carefully and keep this section:

Code of Behaviour:

This form should be read and signed by the student who intends participating in the residential bootcamp. Without signing this form, the student will NOT be allowed to attend the course.

Expected Behaviour:

Participating in this bootcamp for 3 days will be very different from your experiences at school/college. Isaac Physics wants all students to benefit from the course and to enjoy this new experience. In order to do this, you will be expected to show responsible behaviour while attending the camp as well as respect for the rights of other students and staff.

Rules and Behaviour

For health and safety reasons, and for all students to have the opportunity to benefit and enjoy the bootcamp, the following rules and regulations will be in operation.

1. Alcohol must not be brought onto the bootcamp site or consumed during the bootcamp.
2. The purchase or use of any illegal substances is strictly forbidden.
3. Smoking is not allowed.
4. Students are expected to attend all timetabled activities (unless there is a valid reason for absence, such as illness).
5. Students are not allowed to leave the bootcamp sites without permission from appropriate staff.
6. Students are expected to follow any emergency procedure, such as a fire drill, as directed by staff.
7. There will be separate male and female accommodation. Males and females are expected to keep to their own accommodation areas.
8. Students are expected to be in their rooms at specified times (which will be indicated on the first day).
9. Students must not disrupt or otherwise disturb the academic functioning of the physics school or Churchill College.
10. During teaching sessions, I understand that I will be split up from other students from my school.
11. I understand that there will be a room inspection before I leave.

Serious incidents of misbehaviour

In the event of serious incidents of misbehaviour, such as fighting, racial abuse or the use of illegal substances, the student(s) concerned will not be allowed to continue on the Bootcamp course and arrangements will be made for the student(s) to be taken home.

First day of Bootcamp

On the first day of the Bootcamp, staff may explain some additional rules and regulations that will apply to activities currently being planned. As such, it is expected that you will adhere to them for your own health and safety, and that of other students and staff.

Please keep this page for your own records. Complete the other two pages and send them back to us.
