To be completed by the parent/carer/guardian:

Parent/carer/guardian full name(s):

Contact details (mobile/landline/work)

Daytime Nos(s):

Evening Nos(s):

As the parent or guardian of the above named person I agree to the following:

1. ☐ that my ward may attend the senior physics challenge residential summer school,
2. ☐ that the University may keep a record of the student's name, date of birth and school to help us monitor our activities.
3. ☐ that we can take and use photographs and/or videos during the events to help us promote our activities.
4. ☐ I confirm that my son/daughter/ward does not have a medical condition that could result in unnecessary risk to his/her health and safety, or to the safety of another person.
5. ☐ My son/daughter/ward has the following medical condition(s): *please state:*

(please note: completion of No5 will not affect the student's placement but merely ensure their safety)

Data Protection Act:

When you sign this declaration, you agree to the processing of your personal data (as defined by the Data Protection Act 1988) by the University of Cambridge for publicity purposes in our printed or electronic based media. We confirm that the information we keep and any comments we use will be confidential between you and us but we may occasionally provide comments to bodies such as UCAS, the Department for Education, Higher Education Funding Councils, Educational charities, the press, and publications connected with promoting higher education to a wider range of potential students. I hereby give my permission as parent/guardian/carer of the above student for the Colleges to keep the personal data above for the purposes outlined above.

Senior Physics Challenge 2022 Cambridge Residential Event

Participant (student) Code of Conduct:

Code of Behaviour:

This form should be read and signed by the student who intends participating in the higher education Summer School course. Without signing this form, the student will NOT be allowed to attend the course.

Expected Behaviour:

Participating in this Summer School course for a week will be very different from your experiences at school/college. The Summer School wants all students to benefit from the course and to enjoy this new experience. In order to do this, you will be expected to show responsible behaviour while attending the Summer School as well as respect for the rights of other students and Summer School staff

Rules and Behaviour

For health and safety reasons, and for all students to have the opportunity to benefit and enjoy the Summer School, the following rules and regulations will be in operation.

1. Alcohol must not be brought onto the Summer School site or consumed during the Summer School.
2. The purchase or use of any illegal substances is strictly forbidden.
3. Smoking is not allowed.
4. Students are expected to attend all timetabled activities (unless there is a valid reason for absence, such as illness).
5. Students are not allowed to leave the Summer School sites without permission from appropriate Summer School staff.
6. Students are expected to follow any emergency procedure, such as a fire drill, as directed by Summer School staff.
7. There will be separate male and female accommodation. Males and females are expected to keep to their own accommodation areas.
8. Students are expected to be in their rooms at specified times (which will be indicated on the first day).
9. Students must not disrupt or otherwise disturb the academic functioning of the physics school

Serious incidents of misbehavior

In the event of serious incidents of misbehaviour, such as fighting, racial abuse or the use of illegal substances, the student(s) concerned will not be allowed to continue on the Summer School course and arrangements will be made for the student(s) to be taken home.

First day of Summer School

On the first day of the Summer School, staff may explain some additional rules and regulations that will apply to activities currently being planned. As such, it is expected that you will adhere to them for your own health and safety, and that of other students and staff.

When using the online University Moodle platform, I will (tick boxes):

- ☐ Follow all instructions from the Isaac Physics Moodle coordinator regarding Moodle settings, including turning off the private messaging function and hiding my email address.
- ☐ Only use the group forums to communicate with other Moodle users (including coordinators and other participants).
- ☐ Inform the Isaac Physics Moodle Coordinator via email (david@isaacphysics.org) immediately if I feel that any of the rules outlined in the Code of Conduct have been broken by any Moodle user.

When submitting a question or comment (contribution) online:

The Contribution must:

- be accurate (where it states facts)
- be genuinely held (where it states opinions)
- comply with applicable law in the UK and the law of the country from which it is posted

- be relevant.

The Contribution must not:

- contain any material that is likely to offend, provoke or attack other contributors to or users of the Forum
- contain any material that is defamatory of any person
- contain any material that is obscene, offensive, abusive or hateful
- promote violence or contain a statement or describe or encourage activities that could endanger the safety or well-being of others
- promote discrimination on the basis of age, sex, sexual orientation, disability, race, religion, or nationality
- infringe any copyright, trademark or other intellectual property right of any person or organization
- disclose the name, address, telephone, mobile or fax number, email address or any other personal data in respect of any individual
- advocate, promote or assist any unlawful act or illegal activity
- be made in breach of any legal duty owed to a third party such as a contractual duty or a duty of confidence
- be threatening, harass, abuse or invade another's privacy or cause annoyance, inconvenience or needless anxiety to any person
- be used to impersonate any person or to misrepresent the contributor's identity or affiliation with any person or organization
- contain any advertising or promote any services or web links to other sites
- contain any material that contains viruses or any other computer code, programs or files designed to destroy, interrupt or limit the functionality of any computer, computer software or hardware or telecommunications equipment.

I understand that if I break these rules, I will not only be removed from the site, I will also be removed from the SPC event. I understand that I have 3 months from the end of the event to raise any concerns or incidents. By signing below, you acknowledge to agree to the above.

DECLARATION TO BE SIGNED BY THE PARTICIPANT (STUDENT):

- ☐ I have read the information presented in this code of behaviour and agree to adhere to the rules and regulations listed.
- ☐ I also agree to adhere to any additional rules and regulations explained to me on the first day of the Summer School.
- ☐ I understand that I will not be allowed to continue on the Summer School course in the event of serious misbehaviour on my part.
