

# 'Isaac Embedded School' Invitation

*Isaac Embedded Schools have embedded Isaac in their teaching, regularly setting assignments throughout the year. Their students demonstrate significant sustained activity on Isaac.*

Qualifying schools are invited to be listed on Isaac and to receive a certificate of recognition on an annual basis.

- *There is no cost to the school to be certificated as an Isaac Embedded School.*
- *No contact details for the school will be listed on [isaacphysics.org](http://isaacphysics.org).*
- *All you need to do to receive your certificate is complete this form and return it to us as indicated below.*

## To be completed by the Headteacher (or approved deputy)

I accept the invitation to be recognised by Isaac Physics as an Isaac Embedded School. I agree that Isaac Physics may list this school as an Isaac Embedded School on [isaacphysics.org](http://isaacphysics.org) and/or may show this school on a map of Isaac Embedded Schools.
