

'Isaac Embedded School' Invitation

Isaac Embedded Schools have embedded Isaac in their teaching, regularly setting assignments throughout the year. Their students demonstrate significant sustained activity on Isaac.

Qualifying schools are invited to be listed on Isaac and to receive a certificate of recognition on an annual basis.

- *There is no cost to the school to be certificated as an Isaac Embedded School.*
- *No contact details for the school will be listed on isaacphysics.org.*
- *All you need to do to receive your certificate is complete this form and return it to us as indicated below.*

To be completed by the Headteacher (or approved deputy)

I accept the invitation to be recognised by Isaac Physics as an Isaac Embedded School. I agree that Isaac Physics may list this school as an Isaac Embedded School on isaacphysics.org and/or may show this school on a map of Isaac Embedded Schools.

School Postcode

Name of signatory

Position

Signature

Date

School stamp

When completed (including signature and stamp), please return this form to:

David Taylor, Isaac Physics, Cavendish Laboratory, University of Cambridge, CB3 0HE

You may send a scan or good quality photograph by email to: david@isaacphysics.org
